

A panoramic view of Sydney, Australia, featuring the Sydney Opera House and a modern building complex in the foreground, with a sunset sky above. The Opera House is on the left, and a modern building with a glass facade is on the right. The water of the harbor is in the middle ground, and the city skyline is visible in the background under a sunset sky.

# O BAR & DINING PRIVATE EVENTS

## EVENTS ON ANOTHER LEVEL

Welcome to O Bar and Dining, where eating, drinking and beautiful views combine for the ultimate sensory high. A place high above the ordinary, with food at its heart and Sydney at its feet. Our circular space on the 47th floor turns constantly to reveal ever-unfolding, 360-degree views; featuring a newly refurbished central lobby bar, lower level revolving lounge bar, restaurant, private dining room and semi private space.

## AN UNEXPECTED FOOD JOURNEY

At the heart of O, there's a very special food story. Drawing inspiration from the healthy eating philosophy in chef/owner Michael Moore's best selling cookbook series Blood Sugar, our menus combine the sensory high of fine dining with healthy influences from Michael's personal experience as a diabetic. It's a unique, unexpected food journey that never compromises on flavour, integrity and enjoyment
