As you move into the main room, views across Sydney are revealed through floor to ceiling windows.

For dining events, guests have some space to mingle and soak in the views prior to taking their seats for dinner.

For dining events of 20 or more we can often offer a separate space in the Lounge Bar for arrival drinks and canapés should a little more space be required (subject to availability).

Up to 24 guests can be seated on one long table dining. If a presentation screen is required, the Salon Privé can accommodate up to 22 guests on one long table with the screen at the head of the table.

40 guests can network comfortably for a cocktail style event and we provide a selection of high and low bar furniture as required.

For decor, theming and other layout options, please contact your event coordinator.
